NB: IN ORDER TO RUN SBO 9.0 YOU NEED TO BE RUNNING AT LEAST B1UP 6.0 OR HIGHER

The following things is what you need to consider and test during an upgrade to SBO 9.0

Change need	Notes																																																									
If you use Item Placement Tool/Content creator on the lower part of a window you might need to reposition changes	<p>Due to the fact the SAP have increased the default width/height of many of the windows in the client, running with a previous configuration may cause the position of moved items incorrectly (Happen mostly in the lower part of windows).</p> <p>Steps to do the change:</p> <ul style="list-style-type: none">- Manipulate existing Item Placement Tool / Content Creator configurations in Left and Top Positions in order to get correct positions.																																																									
If you have Function Buttons on a window you might need to adjust the form-width/height.	<p>Due to the fact the SAP have increased the default width/height of many of the windows in the client, running with a previous configuration may cause the add/update buttons not to be visible.</p> <p>Step to do the change:</p> <ul style="list-style-type: none">- Go to Administration > Add-ons > B1 Usability Package > Module Configuration > Functionbuttons: Configuration- Find the configuration affected by its form-type<ul style="list-style-type: none">o Increase the Form-width and height as requiredo Update the configuration and check the result <p>Known changes:</p> <table><tr><th>Name</th><th>FormType</th><th>New default width/height</th></tr><tr><td>Journal Entry</td><td>392</td><td>900 x 575</td></tr><tr><td>Sales Opportunity</td><td>320</td><td>620 x 390</td></tr><tr><td>Sales Quotation</td><td>149</td><td>600 x 590</td></tr><tr><td>Sales Order</td><td>139</td><td>600 x 590</td></tr><tr><td>Sales delivery Note</td><td>140</td><td>600 x 590</td></tr><tr><td>Sales Down Payment</td><td>65300</td><td>600 x 555</td></tr><tr><td>Sales Invoice</td><td>133</td><td>600 x605</td></tr><tr><td>Sales Inv. + Payment</td><td>60090</td><td>600 x 605</td></tr><tr><td>Sales Credit Note</td><td>179</td><td>600 x 605</td></tr><tr><td>Sales res.
